- the House of Representatives and the Senate
- major sporting events
- breaking news stories for TV

We're called court reporters, stenographers, captioners, speed-texters, realtime communication specialists, and IVT (instant voice-to-text) technicians. Whatever you call us, we are technology. Picture yourself getting paid to caption the games of your favorite baseball team. Find yourself in the center of the action during a high-profile trial. You could have the potential to work remotely, set your own work schedule, or be your own boss.
